Our menu is a symphony of flavours where the medley of European small bites gets some grill action that's hotter than a Jamaican beach party and spicier than a Moroccan market with a coastal twist straight from the shores of Goa.

*Quite a world tour isn't it?
So, put on your foodie adventurer hat and join us for a global flavour fiesta that's as diverse as it is delicious.*

DECK 88 - *where every bite is a trip worth taking!*
